

PRESS RELEASE

NetEDI changes its name to Cegedim e-business

Conducting an international rebrand to reflect Cegedim's European position, and expand the SY by Cegedim product offering into the UK market

Leyland, United Kingdom, October 27th, 2022

The publicly listed company [Cegedim](#) identified NetEDI Ltd as a prominent business in the supply chain sector. As the leading UK provider of PEPPOL for the NHS Supply Chain, NetEDI established an international client base through its unified commerce solution Netix, leading to the acquisition in 2019. Creating synergy across all business units and expanding customer reach, NetEDI is rebranding as Cegedim e-business.

The new brand identity captures Cegedim e-business' dedication to delivering excellent quality, performance, and service to support businesses in their digital transformation. As a European leader, Cegedim strengthens its position by conducting a rebrand in the United Kingdom and Germany. Expanding the SY by Cegedim product suite into new territories to support international clients.

[Fanni Vig, Managing Director of Cegedim e-business](#), comments "We are very proud to be writing this chapter of our story. Rebranding to Cegedim's international brand is a big milestone for all of us. This name change will enable us to go to market with the wider business' offering, providing our customers with additional value-added services."

Aligning the brands helps to create a new product offering through the SY by Cegedim branding, enabling Cegedim e-business to launch SY Supply Chain in the United Kingdom. A suite of products, services, and solutions enables various sectors to optimise their entire procure-to-pay process.
